

Welcome to Lisburn Christian Fellowship

Our Vision ...

'To be a Christ-centred community,
responsive to God, resourcing people and
reaching out to Lisburn, Ireland and the
Nations through the power of the Holy
Spirit'

Welcome to our Fellowship this morning. Today we will be following our series in the Book of Joel and Randal will be sharing on the subject of the Compassion of God..

We trust you sense the God's presence as we meet together to worship Jesus, hear from Him and enjoy the company of His people.

Kids Church usually begins after the third song and Youth Church after the time of worship. There is a crèche facility in the room opposite the kitchen.

If you would like to chat to someone or receive prayer, please speak to one of our leaders or to one of those who greeted you at the door when you arrived.

We would love you to stay and enjoy some refreshments at the end of our meeting. These are served at the coffee dock area.

Thank you for coming along and may God bless you abundantly.
